

DFARS Cybersecurity Compliance 2-Day Workshop

JUNE 7-8, 2018 | 8:00 AM - 4:00 PM

Peoria Next Innovation Center
801 W. Main St | Peoria, IL 61606

Do you understand the impact of missing the deadline and what you need to have completed in your cybersecurity compliance efforts to keep your contracts or to bid on new contracts?

This 2-day DFARS overview workshop is designed to help companies better understand:

- > the new DFARS guidelines
- > important compliance deadlines
- > consequences for not complying
- > ways to fast-track compliance efforts

This session will focus on the DFARS and an in-depth discussion on complying with the NIST 800-171 in 2018, and will include a detailed demonstration of software that allows selection of the appropriate subset of standards, documents compliance for both internal and external auditing, and decreases the amount of time and resources required to ensure compliance.

Complimentary registration is available to companies with the Qualifying criteria:

- > Company is either a prime contractor with the Dept. of Defense OR
- > Company is a sub-tier supplier to a prime contractor with the Dept. of Defense
- > Company is located in Fulton, Logan, Marshall, Mason, McLean, Peoria, Stark, Tazewell or Woodford counties
